## NEWSLETTER

Term 4, Week 6 - 19th November 2019

### FROM THE PRINCIPAL

We are now over half way through Term 4 and over half way through swimming lessons. With the hot weather last week, swimming lessons provided students with some cool relief. We would like to advise parents that swimming lessons in 2020 will be held in Term 1.

Thank you to all the parents who participated in our Open Council Meeting last Tuesday. It is always great to receive feedback to inform future planning. At the last School Council Meeting, the following School Development Days were endorsed for 2020:

Thursday 30th January  
Friday, 31st January  
Friday, 28th February  
Monday, 27th July (Parent/Teacher/Student meetings)  
Monday, 12th October  
Friday, 18th December

Last Thursday the Pre Primary students celebrated Outdoor Classroom Day. The students had a wonderful time learning in an outdoor environment all day. It was great to see the students engaged in the outdoor learning program that was planned by teaching staff.

The Year 1 and 2 students also spent the day outdoors at the Zoo. The students came back with smiles on their faces talking about what they had experienced. Thank you to the teachers for planning the day and to the parents who volunteered to assist the two classes on the excursion.

Playing after school on the play equipment is allowed, however, parents must supervise students at all times. Please be reminded that this is the only play area after school and students are not to be on the basketball courts, undercover or around classroom areas. If students can play on the white sand areas only that would be greatly appreciated and parents should be near the fort area. Teachers are working in classrooms after school. Thank you for your support.

The Good Standing Policy has now been endorsed by the School Council and enforced as of Week 6, 2019. A copy of this has been attached to this newsletter and will be on our website. It has been mandated for all schools to have a Good Standing Policy. If you have any further questions regarding the policy please feel free to contact me.

Once again staff, students and the P&C are gearing up for the upcoming Art Show on 29<sup>th</sup> November. Please save the date in your calendar. It is a great opportunity to gather as a community and to view art work created by students. This year the Herne Hill Hoppers skipping team will be performing on the basketball court at 6pm.

# COMMUNITY NEWS

My name is Lesley Willow and I am the Community Health Nurse for Herne Hill Primary School.

Part of my role includes conducting School Entry Health Assessments for Kindy age children. I also carry out Growth and Development talks for the year 5/6 students as well as targeted health assessments including vision and hearing for any students that have concerns.

If you have a child in Year 6 you will have received some information on Scoliosis and Colour Blindness.

I am available Monday – Thursday if you would like to discuss any matter concerning the health and wellbeing of your child. You can also speak to your child's class teacher or the School Principal.

I would like to take this opportunity to wish the School Community a safe and happy Festive Season, and I look forward to continuing my work with the School in 2020.

Warmest Regards,

Lesley Willow
