HERNE HILL PRIMARY SCHOOL

NEWSLETTER

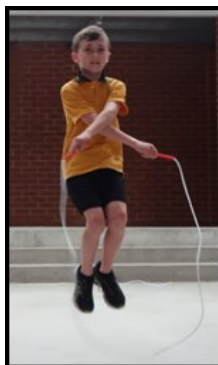

Term 3, Week 8 - 10th September 2019

FROM THE PRINCIPAL

We have had a busy couple of weeks with Learning Journey, Assembly, NAIDOC Week and today commencing our Faction Carnival events. We are looking forward to Friday's Faction Carnival. It is going to be a warm day so it might be a good idea to bring an umbrella or shelter for the day. I'm looking forward to my first Faction Carnival and hope that we get plenty of family and friends down to watch the event. Students are encouraged to bring plenty of water, sunscreen and wear their Faction shirts. Please remember that any coloured hair spray must be *applied at home*. We ask that parents don't approach the student bays during the carnival, there will be opportunities throughout the day to catch up with your child/children.

Herne Hill Hoppers Assembly

Last Wednesday, 4th September I was so proud of the performance of our Herne Hill Hoppers skipping team. The skipping team have been training every Tuesday for 30 minutes working on their skipping skills. The Herne Hill Hoppers performed for the very first time and they did a great job! Well done to all the students and a big thank you to Mrs Farmer who has assisted me with the team this year. We look forward to going to Wanneroo Primary School on Friday, 18th October where they will perform again and take part in a skipping workshop.

Learning Journey

It was a wonderful evening last Tuesday where students showcased their learning with parents, grandparents, and aunties, siblings and friends. I wandered through all of the classrooms and was impressed with the high level of engagement by all. This year, we opened up our new Science Lab and the Indonesian Room to allow students to showcase what they have been learning in these Specialist areas. Thank you to all that turned out and a big thank you to our wonderful staff who prepared the evening.

VISION STATEMENT

*We aim to be an inclusive, innovative, effective school striving for students to reach their full potential.
We work together as a school community towards common goals, ensuring students are provided with a safe and supported environment.*

New Defibrillator

Thanks to St John Ambulance and Lotterywest we now have a community defibrillator located on our school site. The school will have access to this all of the time and community members can access the defibrillator by calling 000. The defibrillator is located on the Library building facing the staff carpark.

Faction Cross Country, Jumps and Throws
