Term 3, Week 4 - 11th August 2020

FROM THE PRINCIPAL

It was just like old times...last week we held our first assembly since the 4th March. It was great seeing everyone back together. I particularly enjoyed the Jump Jam performance by the students. The Jump Jammers have been training for a long time now and they did a great job performing as a whole group to the song "Can't Stop This Feeling". The Year 5/6 Jump Jam team will be competing early Term 4 in the Interschool competition, performing the song "Freaks". They got their first opportunity to perform what they will be doing to an audience - they were amazing and I am looking forward to seeing them compete. The Jump Jam team meet every Thursday for training before school and everyone is welcome each Monday from 8.10am in the Undercover Area for Jump Jam Club. Well done to the students, Ms Bates and Mrs Maffescioni, who have been coaching the students.

Jump Jam Assembly performed by students from Year 2-6 in our Jump Jam Team.

Mr Cook's Mini City – Dingo City. Over the past weeks I have slowly seen Mr Cook's Year 3 class build their own mini city as part of Technologies and HASS. So far, they have made a train track, buildings, train stations and parks! Take a look at their city below. I wonder what they are going to add next to their city?

Year 3 city creation.

We were all very excited to have our first Edu-Dance session on Friday, Week 2. Our teacher is Mrs S (Julia Saunders) and I couldn't believe how quickly she was able to get the students to learn their special moves for the routine. Edu-Dance is part of the Arts – Dance curriculum and of course Physical Education and the concert will be on the last day of term at 2.20pm.

OUR VISION

*We aim to be an inclusive, innovative, effective school striving for students to reach their full potential.
We work together as a school community towards common goals, ensuring students are provided with a safe and supported environment.*

We are commencing our planning for 2021. At this stage, we are looking at over 190 students for our school and it looks like more split classes. If you know that you will not be at Herne Hill Primary School in 2021, it is important that you let us know ASAP. Please contact Karen on 9296 4911 if you will be moving schools in 2021.

The school will be receiving shade sails for both the Senior and Junior area. The school secured a \$15000 grant, and with the support of the P&C who are donating \$3000, we are able to get both done. Without the P&C's hard work fundraising and the school community supporting their events we would not be able to have these projects completed around the school.

Please also be reminded that whilst the state is in Phase 4 of restrictions, the 2m² rule for adults is to be adhered to whilst on school grounds.

Library News

Our second "Your Pick" book review comes from Nathanael (Yr. 2). He has recommended "The Storekeeper's Curse", book two in the Amulet Graphic Novel Series.

This series by Kazu Kibuishi has proved so popular, we've added a second set to our library. Head on into the library to read Nathanael's review, or check out the series.

If you've been blown away by a book, you too can write your own recommendation (see Miss Austgen for details).
